FIDGETY FEET

Just to say a massive thank you for today's session, we all loved it! The parents were all amazed at how their little ones were so focused during your workshop...an absolute credit to you and your teaching skills!

Sophie absolutely loves Fidgety Feet. A great class and wonderful teacher who makes the classes so much fun. Glad to have found this treasure of a class. Thank you.

The thing that makes Fidgety Feet stand out from the rest is the sheer fun of it all... the teachers are brimming with energy, humour and professionalism. I've personally seen my son flourish from attending, gaining better focus as well as some great dance moves. Great fun!

Nic and Sam (age 2½)

Fidgety Feet classes are the highlight of our week - my daughter just loves them! The stories are great for her imagination and I can see her co-ordination improving each week through dance.
